*Connecting The world  
Through English*

# Junior SUMMER SCHOOL

At NCG, we are passionate about teaching English to young people from around the world in a fun and engaging way.

Our dedicated programmes not only help young learners to develop their English language skills, but also provide them with an unforgettable experience abroad, packed full of exciting social activities and countless opportunities to make friends with like-minded people from across the globe.

# studying with ncg

With experience of teaching students from across the globe, we understand and facilitate learning styles from a broad range of regions and cultures.

Through our expertly curated lessons, students will gain the necessary skills they need to learn English, and our social programme provides even more opportunities for students to get exposure to the English language organically.

## JUNIOR SUMMER SCHOOL *Staff*

Our skilled staff are an integral part of our junior summer schools. All educators go through vigorous background and safeguarding checks and complete health and safety training ahead of joining the NCG team, and are certified with the required qualifications to teach English.

- **TEACHERS**
- **ACTIVITY LEADERS**
- **WELFARE SUPPORT**

# WELFARE *and* SAFEGUARDING

We understand that your child's welfare is your primary concern. The following processes are in place to ensure your child's safety and comfort while studying with us at any of our schools:

- A colour-coded lanyard system to help identify staff and students.
- Classes dedicated to students aged 12-17.
- Residential accommodation within walking distance or a short journey from all school locations.
- Supervised teaching, social activities, and excursions.
- Dedicated Welfare Officer available to provide support and advice when needed.

# FUTURE LEADERS

As the world becomes more interconnected through trade, travel, and culture, the importance of empowering young people to understand the benefits and issues around globalisation increases.

This programme explores different aspects of leadership through topic-based lessons, empowering students by teaching them all the necessary skills required to succeed in becoming the young leaders of tomorrow.

## PROGRAMME DETAILS

The Future Leaders programme has been designed for students with a good basic knowledge of English, who want to prepare for studying in an English-speaking environment. Lessons will introduce students to global themes, such as the environment, technology, and active citizenship, and will help them to improve their soft skills, such as teamwork, leadership, and problem-solving.

This course includes:

- 25 hours of combined leadership skills and English lessons per week
- Intermediate B1 level and above
- Two classes per morning and an afternoon workshop activity
- A variety of optional extra-curricular activities at weekends
