MEMBER ENGLISH UK

WELCOME

At NCG, we are passionate about teaching English to young people from around the world in a fun and engaging way.

Our dedicated programmes not only help young learners to develop their English language skills, but also provide them with an unforgettable experience abroad, packed full of exciting social activities and countless opportunities to make friends with like-minded people from across the globe.

A summer full of new experiences
It is never too early to start learning English. We're passionate about providing young people from around the world with fun experiences and high-quality teaching.

Our engaging classes and fun activities will help young learners not only develop their English language skills, but also build their confidence and make new friends from across the globe.

Quality education from certified educators
With experience teaching students from across the globe, we facilitate learning styles from a range of cultures. Through expertly created lessons, we provide the necessary skills young learners need to learn English, and our social programme offers students additional unmatched exposure to the language.

Our skilled staff are an important part of our Junior Summer School. All NCG educators are certified with the required skills to teach English. In addition, our staff go through background and safeguarding checks and complete health and safety training.

FUTURE LEADERS

As the world becomes more inter-connected through trade, travel, and culture, the importance of empowering young people to understand the benefits and issues around globalisation increases.

This programme explores different aspects of leadership through topic-based lessons, empowering students by teaching them all the necessary skills required to succeed in becoming the young leaders of tomorrow.

PROGRAMME DETAILS

The Future Leaders programme has been designed for students with a good basic knowledge of English, who want to prepare for studying in an English-speaking environment. Lessons will introduce students to global themes, such as the environment, technology, and active citizenship, and will help them to improve their soft skills, such as teamwork, leadership, and problem-solving.

This course includes:

- 25 hours of combined leadership skills and English lessons per week
- Intermediate B1 level and above
- Two classes per morning and an afternoon workshop activity
- A variety of optional extra-curricular activities at weekends
- Evening activities
- Full day excursion on Saturday

15 hour programme also available with expanded schedule of activities!

Dates: July 13th -27th

STUDENT WELFARE

We understand that safety is a primary concern when a young person is travelling away from home. That's why we have a range of measures in place to ensure every student at our Junior Summer Schools has access to the advice and guidance they might need throughout their time with us.

- A colour-coded lanyard system to help identify staff and students
- Residential accommodation within walking distance from classrooms.
- Strict processes are in place for monitoring the health and safety standards of all student accommodation
- Classes dedicated to young students aged 12-17 years
- Supervised teaching, social activities, and excursions
- Dedicated welfare team available to provide support and advice when needed
- Limited unsupervised time during breaks, at lunch, and on excursions, depending on age
- Dedicated welfare staff on each site
